LOOP PLUS

Bundling Machines

The simple way to bundle parcels, brochures, mail, printouts, currency - you name it!

Features:

- 1- The LOOP PLUS can be used for a wide variety of commercial and industrial applications. Strapping can also help reduce postage and U.P.S. charges by unitizing parcels for shipping.
- 2- The LOOP PLUS is perfect for bundling incoming and outgoing mail.
- 3- Banks and other financial institutions find strapping ideal for bundling cash, checks, coin boxes, statements, lock box remittances and more.
- 4- When preparing 2nd - 4th class mail for shipment, the LOOP PLUS is a more versatile, secure alternative to string, tape or rubber bands.
- 5- Commercial or in-house printing facilities can use the LOOP PLUS to bundle copied or printed materials.

LOOP PLUS
